Bob,

I think we might have to look for days April 15th and beyond. Margaret suggested that I have Jessie do the Doodle poll.

Before I give everyone's email to Jessie, I think it might be important to nail down a potential location.

John said that the Kozaks don't want to meet at the tribe's locations. John mentioned some locations in Minocqua which were state offices but not WDNR. Can you give me the specifics of the place that you thought might be suitable for a meeting?

Here's my availability so far:

March 28- I could attend a meeting. I will be traveling to LDF for the start of field work on the 29th. But LDF folks are not available that day- that is a holiday for them.

April 1- I may be able to but will still be at LDF for field work and plan to travel home that day (Friday). Kristen would also be attending the field work.

April 7 – No- I need to take that day off. I have personal travel out of town.

April 15- OK

April 21- OK

Are any of the dates John offer good for you? I still need to set up a Doodle poll but wanted to work with a manageable subset of dates.
